

Welcome to St Andrew's Church

Ephesians Sermon Series - Do we have wisdom?

Today we'll be thinking about 'wisdom' in the way in which we lead our lives. At the 1030 service we will also be saying goodbye to our two amazing PAIS interns, Mariana and Marina. There will be Lighthouse groups in the vicarage for children and young people.

If it is your first time with us, we pray that you will meet with God during the service. Please do stay for tea and coffee afterwards, as we would love to welcome you and give you more information about our St Andrew's family.

News - what's new

Thank you for everyone's understanding during the recent redecoration and building work. It's been a hard couple of months as we've not been able to have communion in the chancel, as we normally do at the 9am service and our 1030 3rd Sunday of the month communion. It was great to welcome back the ARK band last week and please bear with those of us who are leading and preaching, as we're getting use to the space at the front of church and how we use it!

MAP (Mission Action Planning) Morning – Saturday 14th July, 9-12pm

Please come to this meeting where we'll be 'brain-storming' ideas of where God is leading us as a church. Be part of the conversation and help shape the way that we're going to move forward. Please come even if you can only make part of the session. It'll be interactive, not boring, and I'd love it if there was a range of ages to express and represent the whole church family. Come and have a say... Jo ☺

Naturally Supernatural- If anyone would like to help donate financially to enable some young people and children to go to this event please put your offering in a marked envelope into the collection bag. Many thanks, Sue Hampson.
